

Hi everyone

Wanted to pass on an email we got from Thad Sweet at Salt and Light. As you can see our efforts and hard work were well worth it!

Nancy and I were there today and restocked the shelves; if you can believe it some of them were empty.

We were fortunate enough to be at Salt and Light when the Montgomery Family came in to see it for the first time and to say they were touched would be an understatement. It was so cool and they were so appreciative for all the work EVERYONE did.

Thank you again for all your hard work and dedication. We were proud to be associated with all of you.

Love

Paula and Lynda

Lynda and Paula,

Just thought you'd like to hear today's numbers.

62 people at our morning service

350 families received food (new record)

23,000+ pounds of food handed out today (new record)

Thanks so much for all your hard work in setting us up for this today. Couldn't have done it without your help. We definitely worked our butts off the entire day today! Thanks again!
